SUMMARY

I am a skilled web developer with experience in creating and maintaining websites and web applications. I specialize in using HTML, CSS, and JavaScript to build user-friendly and responsive sites. I enjoy solving problems and working on both the design and functionality of websites. My goal is to create websites that are fast, easy to use, and look great on all devices. I am a quick learner, a good team player, and always eager to improve my skills.

Marwadi Education Foundation Group of Institutions
BE in Computer Engineering

Rajkot, Gujarat
2021 - 2025

R.LAL Inter College (BSEB BOARD), 12th BSEB BOARD

Khagaria,Bihar
2018 - 2020

Rk childrens academy (CBSE BOARD), 10th CBSE BOARD

Begusarai,Bihar
2018

TECHNICAL SKILLS

Programming Languages: Java,javaScript,Mysql

Front-End:Html,Css,JavaScript

Technologies/Frameworks: ReactJs,Redux,Bootstrap,Github

Database:Mysql,MongoDB

Developer Tools: VS code,IntelliJ idea

PROJECTS

E-Commerce website using Html,css,Javascript

- Developed a fully functional e-ecommerce website to facilitate online shopping and provide an intuitive user experience.
- Designed and implemented responsive and visually appealing user interfaces using HTML and css.
- implemented a user-friendly navigation system and product display pages.
- Ensured the website is fully responsive and accessible on various devices,including desktop,tablets,and smartphones.

Tic Tac Toe

- Designed and developed a classic Tic Tac Toe game with interactive and engaging gameplay.
- The project focused on creating a seamless user experience and implementing game logic using HTML, CSS, and JavaScript.
- Developed game logic with JavaScript to handle player moves, game state updates, and win/loss conditions.
- Ensured the game state was accurately updated and displayed after each move.
- Demonstrated strong capabilities in front-end development and user interface design, contributing to the overall project success.

CERTIFICATIONS

- Web-Development provided by Technophilia.
- Linux operating system provided by Cisco Networking Academy.
